LEGISLATIVE COUNSEL'S DIGEST

SB 1020, Committee on Budget and Fiscal Review. Public Safety Realignment.

(1) Existing law, the 2011 Realignment Legislation addressing public safety and related statutes, require that certain specified felonies be punished by a term of imprisonment in a county jail for 16 months, or 2 or 3 years and provides for postrelease community supervision by county officials for persons convicted of certain specified felonies upon release from prison or county jail. As part of the realignment of public safety services to local agencies, existing law establishes the Local Revenue Fund 2011 into which specified tax revenues are deposited and are continuously appropriated for the provision of public safety services, as defined. Under existing law, the Local Revenue Fund 2011 contains various accounts and subaccounts from which the revenues are then allocated to corresponding local accounts.

This bill would revise the provisions establishing the Local Revenue Fund 2011 by abolishing accounts in the fund as of September 30, 2012, with the exception of the Mental Health Account which this bill would retain, and creating new accounts, subaccounts, and special accounts in the Local Revenue Fund of 2011, as provided. The bill would require that money in the existing accounts be transferred to the newly created successor accounts

on September 15, 2012. The bill would direct each county or city and county to create corresponding local accounts in each county or city and county's County Local Revenue Fund 2011, as provided, to receive allocations from the state accounts. The bill would permit any county or city and county to annually reallocate money between subaccounts in the local Support Services Account, and to reallocate funds from the Protective Services Subaccount or the Behavioral Health Subaccount, or both, to the Support Services Reserve Subaccount, which would be created pursuant to this bill, as provided.

This bill would, for the 2012–13 fiscal year, and subsequent fiscal years, with respect to cash received beginning August 16 of each year, require the Controller to allocate the tax revenues received in the Local Revenue Fund 2011 to the Mental Health Account, and also to the Support Services Account, the Law Enforcement Services Account and the Sales and Use Tax Growth Account, which would be created by the bill, and to various subaccounts and growth special accounts created within those latter 3 accounts, according to specified percentages and maximums. In those subsequent fiscal years, the bill would also require the Controller to allocate funds to the subaccounts within the Support Services Account and the Law Enforcement Services Account from the subaccounts in the Sales and Use Tax Growth Account, based on specified calculations of base funding. The bill would require the Controller to post specified information on the Controller's Internet Web site regarding the funds deposited in those accounts and subaccounts. The bill would require the Controller to allocate funds, that would otherwise be allocated to a county for a program funded by the Behavioral Health Subaccount, to the County Intervention Support Services Subaccount in the Support Services Account if the State Department of Health Care Services determines that federal Medicaid funds are at risk due to specified circumstances. The bill would provide that, if the tax revenues deposited in the Local Revenue Fund 2011 cease or are decreased, the state shall provide an equivalent amount to fund the provision of Public Safety Services and, if that annual appropriation is not made, the bill would require the Controller to allocate those amounts from the General Fund, thereby making an appropriation.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that any new program or higher level of service imposed on a local agency by the 2011 Realignment Legislation, as defined, or any executive order or administrative directive issued to implement that legislation, shall be reimbursed by the state only from moneys provided for that activity, as specified; that those agencies shall be obligated to provide the new program or higher level of service only to the extent of that funding so provided; and any new program or higher level of service provided by a local agency above the level for which funding has been provided shall be optional and, as such, the costs thereof shall not be subject to reimbursement, except in specified circumstances where, for certain programs, the state would provide 50% of the nonfederal shares of any increased costs. The bill would require a county electing to use its own funds to pay for any increased cost, duty, or level of service to first exhaust funding available to it from the Local Revenue Fund and the Local Revenue Fund 2011. The bill would require funds deposited into a County Local Revenue Fund 2011 to be spent in a manner to maintain the state's eligibility for federal matching funds, as specified, and would prohibit those funds from being used to supplant other funding for Public Safety Services. The bill would provide that these provisions shall become inoperative upon approval by the voters of a specified constitutional amendment at the November 6, 2012, statewide general election.

(3) Existing law, the Ralph M. Brown Act, requires each legislative body of a local agency to provide notice of the time and place for holding regular meetings and an agenda containing a brief general description of each item of business to be transacted. The act also requires that all meetings of a legislative body be open and public and all persons be permitted to attend unless a closed session is authorized.

This bill would require any decision of a county board of supervisors to eliminate or significantly reduce optional behavioral health services, adult protective services, or specified child welfare services funded from allocations from the Support Services Account of the Local Revenue Fund 2011 to be made in open

session, as an action item, at a duly noticed meeting of the board. The bill would require a county or city and county to document any decision to make any change in its allocation between the Protective Services Subaccount or Behavioral Health Subaccount moneys at a regularly scheduled public hearing of its governing body. The bill would require that authorization to make a reallocation from the Protective Services Account or the Behavioral Health Subaccount, or both, to the Support Services Reserve Subaccount only be made in a duly noticed public meeting.

(4) Existing law establishes the Local Revenue Fund, which contains specified accounts and subaccounts, including, among others, the Mental Health Subaccount and the CalWORKs Maintenance of Effort Subaccount. Existing law requires a monthly allocation from the Mental Health Account in the Local Revenue Fund 2011 to those subaccounts in the Local Revenue Fund.

This bill would require \$93,379,252 to be allocated monthly by the Controller to the Mental Health Account of the Local Revenue Fund 2011, and from that account to the Mental Health Subaccount in the Local Revenue Fund. The bill would also require specified funds in the Local Revenue Fund that would otherwise have been deposited into each county's Mental Health Account to be deposited into the CalWORKs Maintenance of Effort Subaccount, not to exceed \$1,120,551,000 per year.

(5) Existing law, for the 2011–12 fiscal year, allocates moneys from the Local Revenue Fund to the Mental Health Account, the Health and Human Services Account, the Trial Court Security Account, the Local Community Corrections Account, by county, the District Attorney and Public Defender Account, by county, and the Local Law Enforcement Services Account for specified purposes and requires the Controller to allocate those funds to the corresponding local accounts on specified dates.

This bill would, for the purposes of the allocations in the 2011–12 fiscal year to the above accounts, include cash received in July and up to August 15, 2012. The bill, commencing with the 2012–13 fiscal year, beginning with cash received on and after August 16, 2012, would instead create and allocate funds to the Trial Court Security Subaccount, by county, would change the percentages to the counties that are allocated for criminal justice programs under the Community Corrections Subaccount and the District Attorney and Public Defender Subaccount, and would

create and allocate funds in the Enhancing Law Enforcement Activities Growth Special Account in the Enhancing Law Enforcement Activities Subaccount, as specified.

The bill would require moneys allocated from the growth special accounts in the Support Services Growth Subaccount and the Law Enforcement Services Growth Subaccount to be allocated to the corresponding account and subaccount in each county or city and county's County Local Revenue Fund 2011, either according to percentages provided by the bill, or pursuant to schedules provided by the Department of Finance, as specified.

The bill would require each county treasurer, city and county treasurer, or other appropriate official to transfer 10% of the money the county receives from the Trial Court Security Growth Special Account, the Community Corrections Growth Special Account, the District Attorney and Public Defender Growth Special Account, and the Juvenile Justice Growth Special Account to the Local Innovation Subaccount, to be used for any of the purposes that money in those accounts may be expended.

The bill would require the Controller to allocate certain moneys from the Protective Services Growth Special Account to counties for various local social services, including adult protective services, foster care grants and services, and child welfare services, according to certain percentages and calculations.

The bill would require the Controller to allocate moneys from the Community Corrections Growth Special Account to counties to fund the Postrelease Community Supervision Act of 2011 and to fund housing of parolees in county jails.

The bill would require the Controller to allocate moneys to each county from the Youthful Offender Block Grant Special Account and the Juvenile Reentry Grant Special Account to fund grants to provide local services relating to the custody and parole of youthful offenders in accordance with reports prepared by the Department of Finance.

(6) Existing law establishes within the Local Revenue Fund 2011 various accounts and subaccounts relating to corrections, social services, and law enforcement, including the Local Community Corrections Account, the Adoptions Subaccount, and the Local Law Enforcement Services Account. Existing law governs various social services, including agency adoptions,

services for foster youth, and the Drug Medi-Cal Treatment Program.

This bill would revise and consolidate the system of accounts and subaccounts for these purposes, as specified. The bill would require that the moneys allocated from the Behavioral Health Subaccount of the Local Revenue Fund 2011 be distributed by the Controller pursuant to schedules provided by the Department of Finance created in consultation with appropriate state agencies and the California State Association of Counties. The bill would authorize, to the extent consistent with or required by federal law or court order, a county or counties to contract directly with the State Department of Health Care Services or the State Department of Social Services, as applicable, to provide for the provision or administration of the programs, services, or activities relating to the Drug Medi-Cal Treatment Program or agency adoptions.

The bill would also authorize a county or city and county to elect and, in consultation with the California State Association of Counties be designated by the State Department of Social Services, to contract to provide specified social services programs, functions, or services, including services relating to private agency adoption reimbursements and postsecondary and training vouchers.

(7) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

County probation departments, in expending the Juvenile Reentry Grant allocation, shall provide evidence-based supervision and detention practices and rehabilitative services to persons who are subject to the jurisdiction of the juvenile court, and who were committed to and discharged from the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. “Evidence-based” refers to supervision and detention policies, procedures, programs, and practices demonstrated by scientific research to reduce recidivism among individuals on probation or under postrelease supervision. Funds shall be used in a manner that maintains eligibility for federal funding.

(A) The moneys in the Protective Services Subaccount and the Protective Services Growth Special Account shall be used exclusively to fund the following:

Sec. 1396n), or the State Plan or its amendment or amendments.

(C) The moneys in the Women and Children's Residential Treatment Services Special Account shall be used exclusively to fund the Women and Children's Residential Treatment Services program, as described in Chapter 2.1 (commencing with Section 11757.65) of the Welfare and Institutions Code.

(g) The moneys in the Reserve Account shall be used to fund entitlements paid from the Foster Care Assistance Subaccount, the Drug Medi-Cal Subaccount, and the Adoption Assistance Program Subaccount of the Health and Human Services Account after the funding of any entitlements for the 2011–12 fiscal year, and not later than December 1, 2012.

(h) The moneys in the Undistributed Account shall be used to reimburse the General Fund for costs incurred and expenditures made by the state on behalf of any local government entity in providing Public Safety Services, as defined in subdivision (i), after all 2011–12 costs have been reimbursed, but not later than December 1, 2012.

SEC. 3. Section 30026 of the Government Code is amended to read:

30026. (a) Consistent with Section 636 of Chapter 15 of the Statutes of 2011, as of October 1, 2011, there is hereby established the Community Corrections Grant Program for the purpose of funding various changes to the criminal justice system as required by Chapter 15 of the Statutes of 2011. The grant program shall provide grants to all counties that are affected by the provisions of Chapter 15 of the Statutes of 2011.

(b) The moneys in the Local Community Corrections Account within the Local Revenue Fund 2011, and the moneys in its successor subaccount or special account, the moneys in the Community Corrections Subaccount within the Law Enforcement Services Account within the Local Revenue Fund 2011, and the moneys in the Community Corrections Growth Special Account within the Law Enforcement Services Growth Subaccount shall be used to fund the grant program as established in subdivision (a), and the appropriation out of that account on October 1, 2011, shall constitute an appropriation to fund the Community Corrections Grant Program, consistent with the provisions of

Chapter 15 of the Statutes of 2011, and as identified in Section 636 of Chapter 15 of the Statutes of 2011.

SEC. 4. Section 30026.5 is added to the Government Code, to read:

30026.5. (a) “2011 Realignment Legislation” means legislation enacted on or before September 30, 2012, to implement the state budget plan, that is entitled 2011 Realignment and provides for the assignment to local agencies of responsibilities for Public Safety Services, including related reporting responsibilities. The 2011 Realignment Legislation shall provide local agencies with maximum flexibility and control over the design, administration, and delivery of those services consistent with federal law and funding requirements, as determined by the Legislature. However, the 2011 Realignment Legislation shall include no new programs assigned to local agencies after January 1, 2012, except for the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program and mental health managed care, which may also be referred to as specialty mental health care services.

(b) Any mandate of a new program or higher level of service on a local agency imposed by the 2011 Realignment Legislation, or by any regulation adopted or any executive order or administrative directive issued to implement that legislation, shall, if it constitutes a mandate requiring the state to provide a subvention of funds within the meaning of the California Constitution, be paid from the moneys provided for that activity.

(1) A reimbursable mandate for any program or increased level of service initially created by the 2011 Realignment Legislation, as defined in subdivision (a), that may be funded from the Protective Services Subaccount or the Behavioral Health Subaccount or funding received from the Protective Services Growth Special Account or the Behavioral Health Services Growth Special Account shall be paid from the applicable subaccount, and no other funding shall be required unless the total amount received into the subaccount of any county, including optional reallocation pursuant to subparagraph (A) of paragraph (4) of subdivision (f) of Section 30025, is insufficient to provide funding for any or all mandates funded from that subaccount.

(2) A reimbursable mandate for any program or service that may be funded from any of the subaccounts in the Law Enforcement Services Account or funding received from the Law

Enforcement Services Growth Subaccount shall be paid from the applicable subaccount, and no other funding shall be required unless the total amount received into the subaccount of any county or city and county is insufficient to provide funding for that mandate.

(c) (1) Notwithstanding subdivision (b) or any other provision of law, legislation enacted after September 30, 2012, that has an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation shall apply to local agencies only to the extent that the state provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service required by legislation described in this paragraph above the level for which funding has been provided.

(2) Notwithstanding subdivision (b) or any other provision of law, regulations, executive orders, or administrative directives, implemented after October 9, 2011, that are not necessary to implement the 2011 Realignment Legislation and that have an overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, shall apply to local agencies only to the extent that the state provides annual funding for the cost increase. Local agencies shall not be obligated to provide programs or levels of service pursuant to new regulations, executive orders, or administrative directives described in this paragraph above the level for which funding has been provided.

(3) Notwithstanding subdivision (b) or any other provision of law, any new program or higher level of service provided by local agencies, as described in paragraphs (1) and (2), above the level for which funding has been provided, shall not require a subvention of funds by the state as those costs incurred at the local level shall be optional.

(d) Notwithstanding subdivision (b) or any other provision of law, the state shall not submit to the federal government any plans or waivers, or amendments to those plans or waivers, that have an overall effect of increasing the cost borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, except to the extent that the plans, waivers, or amendments are required by federal law, or the state provides annual funding for the cost increase.

(e) (1) Notwithstanding subdivisions (b), (c), and (d) or any other provision of law, the state shall not be required to provide a subvention of funds pursuant to this section for a mandate that is imposed by the state at the request of a local agency or to comply with federal law. Any state funds provided pursuant to subdivision (c) or (d) or this subdivision shall be from funding sources other than those described in subdivision (a) of Section 30025, ad valorem property taxes, or the Social Services Subaccount of the Sales Tax Account of the Local Revenue Fund.

(2) For programs described in paragraphs (3), (4), and (5) of subdivision (i) of Section 30025 and included in the 2011 Realignment Legislation, if there are subsequent changes in federal statutes or regulations that alter the conditions under which federal matching funds as described in the 2011 Realignment Legislation are obtained, and those changes have the overall effect of increasing the costs incurred by a local agency, the state shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the state.

(3) When the state is a party to any complaint brought in a federal judicial or administrative proceeding that involves one or more of the programs described in paragraphs (3), (4), and (5) of subdivision (i) of Section 30025 and included in the 2011 Realignment Legislation, and there is a settlement or judicial or administrative order that imposes a cost in the form of a monetary penalty or has the overall effect of increasing the costs already borne by a local agency for programs or levels of service mandated by the 2011 Realignment Legislation, the state shall annually provide at least 50 percent of the nonfederal share of those costs as determined by the state. Payment is not required if the state determines that the settlement or order relates to one or more local agencies failing to perform a ministerial duty, failing to perform a legal obligation in good faith, or acting in a negligent or reckless manner.

(4) If the state or a local agency fails to perform a duty or obligation under this section or under the 2011 Realignment Legislation, an appropriate party may seek judicial relief. These proceedings shall have priority over all other civil matters.

(5) The funds deposited into a County Local Revenue Fund 2011 shall be spent in a manner designed to maintain the state's eligibility for federal matching funds and to ensure compliance by

the state with applicable federal standards governing the state's provision of Public Safety Services.

(6) The funds deposited into a County Local Revenue Fund 2011 shall not be used by local agencies to supplant other funding for Public Safety Services.

(f) Any decision of a county or a city and county to eliminate or significantly reduce the levels or types of optional or discretionary behavioral health services, adult protective services, or child welfare services pursuant to Sections 11403.1 and 11403.2 of, Chapter 2.3 (commencing with Section 16135) of Part 4 of Division 9 of, Sections 16508.2 and 16508.3 of, Article 4 (commencing with Section 16522) of Chapter 5 of Part 4 of Division 9 of, Article 2 (commencing with Section 16525.10) of Chapter 5.3 of Part 4 of Division 9 of, and Section 16605 of, the Welfare and Institutions Code and Section 10609.3 of the Welfare and Institutions Code that the county or city and county is or has previously funded, in whole or in part, from allocations received from the Support Services Account of the Local Revenue Fund 2011 may, as a condition of the county or city and county receiving funding, only be made in open session, as an action item, at a duly noticed meeting of the board of supervisors. For the purpose of this subdivision, "significant reduction" shall include a 10-percent reduction in funding in any one year or a cumulative 25-percent reduction over the previous three years.

(g) (1) Federal funding has been, and continues to be, provided for Public Safety Services described in the 2011 Realignment Legislation that are funded from the subaccounts within the Health and Human Services Account and its successor, the Support Services Account. Starting in the 2012–13 fiscal year, the state provided an additional source of funding for Specialty Mental Health Services, as described in clause (v) of subparagraph (B) of paragraph (16) of subdivision (f) of Section 30025, from the Local Revenue Fund 2011 in addition to providing funding to local government for mental health services from the Local Revenue Fund and the Mental Health Services Fund. Starting in the 2011–12 fiscal year, the state provided funding for other Public Safety Services from the Local Revenue Fund and the Local Revenue Fund 2011.

(2) Except as required by subdivisions (c) to (e), inclusive, the state shall not have a share of cost for the Public Safety Services

described in the 2011 Realignment Legislation funded from the Local Revenue Fund or the subaccounts within the Health and Human Services Account or its successor, the Support Services Account, in the Local Revenue Fund 2011. Funds for the increased county share of cost shall be provided through the subaccounts in the Health and Human Services Account, and from successors to those subaccounts. Before local entities may spend funds from these subaccounts for any other purpose, these funds shall first be expended for activities and providing services that preserve federal funding and to pay for any state-mandated costs for increased costs, duties, or levels of service as the programs are described in statute enacted on or before September 30, 2012, or regulations, executive orders, or administrative directives implemented prior to October 9, 2011, or those regulations that are not necessary to implement the 2011 Realignment Legislation, or State Plan, or any amendments in effect on June 30, 2012. This funding is specifically intended to be in an amount sufficient to fund the cost of the state mandates.

(3) Prior to a county electing to use any of its own funds to pay for an increased cost, duty, or level of service above that required by the 2011 Realignment Legislation, or that is optional under the 2011 Realignment Legislation, the county shall first exhaust the funding available to it from the Local Revenue Fund established pursuant to Section 17600 of the Welfare and Institutions Code and the Local Revenue Fund 2011 for state-mandated costs, duties, and levels of service.

(h) (1) Federal funding has been, and continues to be, provided for Public Safety Services described in the 2011 Realignment Legislation that are funded from the subaccounts within the Health and Human Services Account and its successor, the Support Services Account. Starting in the 2012–13 fiscal year, the state provided an additional source of funding for Specialty Mental Health Services, as described in clause (v) of subparagraph (B) of paragraph (16) of subdivision (f) of Section 30025, from the Local Revenue Fund 2011 in addition to providing funding to local government for mental health services from the Local Revenue Fund and the Mental Health Services Fund. Starting in the 2011–12 fiscal year, the state provided funding for other Public Safety Services from the Local Revenue Fund and the Local Revenue Fund 2011.

(2) Except as required by subdivisions (c) to (e), inclusive, the state shall not have a share of cost for the health and human services programs described in the 2011 Realignment Legislation funded from the Local Revenue Fund established pursuant to Section 17600 of the Welfare and Institutions Code or the subaccounts within the Health and Human Services Account, or its successor, the Support Services Account, in the Local Revenue Fund 2011. Funds for the increased county share of cost shall be provided through the subaccounts of the Health and Human Services Account and its successors within the Support Services Account.

(3) This subdivision shall become operative on November 7, 2012, if a constitutional amendment adding Section 36 to Article XIII of the California Constitution is approved by the voters at the November 6, 2012, statewide general election.

(i) (1) Every month, the Controller shall post on the Controller's Internet Web site, the amount received by the Local Revenue Fund 2011 from revenues raised by Sections 6051.15, 6201.15, 11001.5, and 11005 of the Revenue and Taxation Code. Additionally, every month, the Controller shall post the amounts allocated to every account, subaccount, and special account in the Local Revenue Fund 2011.

(2) Annually, the Controller shall post on the Controller's Internet Web site the amounts allocated to each account, subaccount, and special account, and provide detailed information as to the source of that funding. The Controller shall also post the highest amount ever allocated to the Behavioral Health Subaccount, the Protective Services Subaccount, the Trial Court Security Subaccount, and the Juvenile Justice Subaccount, and, after the 2014–15 fiscal year, the highest amount ever allocated to the Community Corrections Subaccount, and the District Attorney and Public Defender Subaccount. In every fiscal year in which funding is not at the highest level for subaccounts specifically named in this paragraph, the Controller shall note how much growth funding may need to be provided as restoration funding in a future fiscal year to achieve that level.

(3) Annually, the Controller shall post on the Controller's Internet Web site the amount each county received pursuant to paragraph (1) of subdivision (a), paragraph (2) of subdivision (b),

and paragraph (2) of subdivision (c) of Section 30027.9 for each of the county's or city and county's subaccounts.

(j) The enactment of the 2011 Realignment Legislation is not intended to, nor does it in any way, affect rights provided by federal entitlement programs. Nothing in the 2011 Realignment Legislation places any additional restrictions on eligibility, coverage, or access to services and care for any federal or state entitlement program.

(k) Counties, cities, and city and counties shall fund Medi-Cal Specialty Mental Health Services, including Early and Periodic Screening, Diagnosis and Treatment (EPSDT), from moneys received from the Behavioral Health Subaccount and the Behavioral Health Growth Special Account, both created pursuant to Section 30025, the Mental Health Subaccount created pursuant to Section 17600 of the Welfare and Institutions Code, the Mental Health Account created pursuant to Section 17600.10 of the Welfare and Institutions Code, and to the extent permissible under the Mental Health Services Act, the Mental Health Services Fund created pursuant to Section 19602.5 of the Revenue and Taxation Code. Because this is a federal entitlement program, the provision of services shall be based on statute, regulation, the managed care waiver provisions of Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396n), or the State Plan or its amendment or amendments.

(l) Subdivisions (a), (b), and (g) shall become inoperative on November 7, 2012, if a constitutional amendment adding Section 36 to Article XIII of the California Constitution is approved by the voters at the November 6, 2012, statewide general election.

SEC. 5. Section 30027 of the Government Code is amended to read:

30027. (a) For the 2011–12 fiscal year, including cash received in July and up to August 15, 2012, on the 15th of every month, the Controller shall allocate to the Mental Health Account of the Local Revenue Fund 2011, ninety million three hundred thousand dollars (\$90,300,000) of the revenue received into Local Revenue Fund 2011, pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code.

(b) (1) For the 2011–12 fiscal year, all funds obtained pursuant to Sections 11001.5 and 11005 of the Revenue and Taxation Code, including cash received in July and up to August 15, 2012, shall be deposited in the Local Law Enforcement Services Account.

However, no more than four hundred and eighty-nine million nine hundred thousand dollars (\$489,900,000) in total shall be allocated out of the Local Law Enforcement Services Account.

(2) For the 2011–12 fiscal year, including cash received in July and up to August 15, 2012, every month the Controller shall allocate to the Local Law Enforcement Services Account three million forty-one thousand six hundred sixty-seven dollars (\$3,041,667) of the amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code. However, these deposits shall cease once the Local Law Enforcement Services Account has been allocated four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000).

(3) If on August 27, 2012, there have been insufficient funds provided to the Local Law Enforcement Services Account to permit the full allocation as described in subdivision (e) of Section 30029, the Director of Finance shall allocate sufficient funds from the Undistributed Account to provide that full allocation.

(c) For the 2011–12 fiscal year, including cash received in July and up to August 15, 2012, of the amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, after having first deducted the amount described in subdivisions (a) and (b), or any other revenue except amounts received pursuant to Section 11005 of the Revenue and Taxation Code, shall be allocated by the Controller on the 15th of every month as follows:

(1) Twelve and forty-five hundredths of 1 percent shall be allocated to the Trial Court Security Account. However, no more than four hundred ninety-six million four hundred twenty-nine thousand dollars (\$496,429,000) in total shall be allocated to the Trial Court Security Account, and the total allocation to the account shall be reduced by the Director of Finance, as appropriate, to reflect any reduction in trial court security costs.

(2) Eight and eighty-nine hundredths of 1 percent shall be allocated to the Local Community Corrections Account.

(3) Thirty-two hundredths of 1 percent shall be allocated to the District Attorney and Public Defender Account. However, no more than twelve million seven hundred thousand dollars (\$12,700,000) in total shall be allocated to the District Attorney and Public Defender Account.

(4) Two and forty-four hundredths of 1 percent shall be allocated to the Juvenile Justice Account. However, no more than ninety-seven million one hundred ninety thousand dollars (\$97,190,000) shall be allocated to the Juvenile Justice Account.

(5) Forty-five and thirty-one hundredths of 1 percent shall be allocated to the Health and Human Services Account.

(6) If revenue received into the Local Revenue Fund 2011, pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, cannot be allocated to a particular account described in paragraphs (1) to (5), inclusive, due to the cap for that account having been reached, then those funds shall be placed into the Reserve Account. The Director of Finance may allocate the funds in the Reserve Account to reimburse a county or city and county for services funded by the Adoption Assistance Program Subaccount, the Foster Care Assistance Subaccount, or the Drug Medi-Cal Subaccount of the Health and Human Services Account. The Controller shall allocate those funds based on a schedule provided by the Director of Finance, as submitted from time to time at the discretion of the Director of Finance.

(7) After the allocations are made pursuant to paragraphs (1) to (6), inclusive, the remainder of any revenue received into the Local Revenue Fund 2011 shall be deposited in the Undistributed Account.

(d) This section shall remain in effect only until January 1, 2013, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2013, deletes or extends that date.

SEC. 6. Section 30027.5 is added to the Government Code, to read:

30027.5. This section shall apply to the allocations made from the Local Revenue Fund 2011 for the 2012–13 fiscal year, which shall include cash received beginning on August 16, 2012.

(a) On or before the 18th of each month, the Controller shall allocate to the Mental Health Account of the Local Revenue Fund 2011, ninety-three million three hundred seventy-nine thousand two hundred fifty-two dollars (\$93,379,252) of the revenue received into the Local Revenue Fund 2011, pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code.

(b) All funds obtained pursuant to Sections 11001.5 and 11005 of the Revenue and Taxation Code shall be deposited in the Enhancing Law Enforcement Activities Subaccount in the Law

Enforcement Services Account. However, once these deposits total four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000) for the fiscal year, any additional funds obtained pursuant to those sections shall be deposited in the Enhancing Law Enforcement Activities Growth Special Account in the Enhancing Law Enforcement Activities Subaccount.

(c) The amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, after the allocation described in subdivision (a), shall be allocated by the Controller no later than the 20th of every month as follows:

(1) To the Support Services Account: 64.1975 percent, up to a total amount of two billion six hundred four million nine hundred thousand dollars (\$2,604,900,000) for the fiscal year.

(2) To the Law Enforcement Services Account: 35.8025 percent, up to a total amount of one billion four hundred fifty-two million seven hundred thirty-three thousand dollars (\$1,452,733,000) for the fiscal year.

(3) If there are insufficient moneys in the Local Revenue Fund 2011 to provide the maximum funding described in paragraphs (1) and (2), the Controller shall allocate the available moneys based on the proportional shares that the accounts receive in the 2012–13 fiscal year, as provided in paragraphs (1) and (2).

(4) After the allocations are made pursuant to subdivision (a) and paragraphs (1) and (2), any remaining funds shall be allocated to the Sales and Use Tax Growth Account.

(d) Notwithstanding subdivision (c), if the Department of Finance estimates that the Enhancing Law Enforcement Activities Subaccount will not receive four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000) pursuant to subdivision (b) within the fiscal year, the department shall notify the Controller who shall, after the allocation is made pursuant to subdivision (a), allocate the remaining funds in the Local Revenue Fund 2011 as follows:

(1) The amount necessary to provide four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000) to the Enhancing Law Enforcement Activities Subaccount for the fiscal year, based on the estimate provided by the Department of Finance, shall be allocated to the subaccount. If it is subsequently determined that the actual funds received in the subaccount exceed

that amount for the fiscal year, the Controller shall refund the excess sales tax amount to the Local Revenue Fund 2011.

(2) The remaining funds shall be allocated as provided in subdivision (c).

(e) Funds allocated to the Law Enforcement Services Account from the Local Revenue Fund 2011 shall be allocated by the Controller on a monthly basis as follows:

(1) To the Trial Court Security Subaccount: 34.1721 percent, up to a total amount of four hundred ninety-six million four hundred twenty-nine thousand dollars (\$496,429,000) for the fiscal year.

(4) To the Juvenile Justice Subaccount: 6.8012 percent, up to a total amount of ninety-eight million eight hundred four thousand dollars (\$98,804,000) for the fiscal year.

(f) Funds allocated to the Support Services Account from the Local Revenue Fund 2011 shall be allocated by the Controller on a monthly basis as follows:

(1) (A) To the Behavioral Health Subaccount: 37.0264 percent, up to a total amount of nine hundred sixty-four million five hundred thousand dollars (\$964,500,000) for the fiscal year, for the provision of specialty mental health services, including Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services and mental health managed care, as well as the services that were funded in the 2011–12 fiscal year by the Women and Children’s Residential Treatment Services Subaccount, Drug Court Subaccount, Non-drug Medi-Cal Substance Abuse Treatment Services Subaccount, and the Drug Medi-Cal Subaccount in the Health and Human Services Account, pursuant to Section 30029.2.

(B) From the amount described in subparagraph (A), the sum of five million one hundred four thousand dollars (\$5,104,000) for the fiscal year, divided into 12 monthly allocations, shall be allocated to the Women and Children’s Residential Treatment Services Special Account.

(2) To the Protective Services Subaccount: 62.9736 percent, up to a total amount of one billion six hundred forty million four hundred thousand dollars (\$1,640,400,000) for the fiscal year, to provide the services that were funded in the 2011–12 fiscal year by the Adult Protective Services Subaccount, Foster Care Assistance Subaccount, Foster Care Administration Subaccount, Child Welfare Services Subaccount, Adoptions Subaccount, Adoption Assistance Program Subaccount, and Child Abuse Prevention Subaccount in the Health and Human Services Account.

SEC. 7. Section 30027.6 is added to the Government Code, to read:

30027.6. This section shall apply to allocations made from the Local Revenue Fund 2011 for the 2013–14 fiscal year, which shall include cash received beginning on August 16, 2013. Until the Department of Finance has prepared a schedule pursuant to subdivision (g), the Controller shall allocate funding as provided in subdivisions (a) to (f), inclusive.

(a) On or before the 18th of every month, the Controller shall allocate to the Mental Health Account of the Local Revenue Fund 2011, ninety-three million three hundred seventy-nine thousand two hundred fifty-two dollars (\$93,379,252) of the revenue received into Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code.

(b) All funds obtained pursuant to Sections 11001.5 and 11005 of the Revenue and Taxation Code shall be deposited in the Enhancing Law Enforcement Activities Subaccount located in the Law Enforcement Services Account. Once these deposits total four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000) for the fiscal year, any additional funds obtained pursuant to those sections shall be deposited in the Enhancing Law Enforcement Activities Growth Special Account of the Enhancing Law Enforcement Activities Subaccount.

(c) The amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, after the allocation provided in subdivision (a), shall be allocated by the Controller no later than the 20th of every month as follows:

(1) To the Support Services Account, up to an amount equal to the amount that was allocated to this account in the 2012–13 fiscal year, plus twenty million three hundred sixty-eight thousand dollars

(\$20,368,000), plus the total amounts deposited in the Protective Services Growth Special Account and the Behavioral Health Services Growth Special Account of the Support Services Growth Subaccount in the 2012–13 fiscal year.
